Sending my son to Hurdley J&I is the ~~best~~ best decision I have made as a parent. I truly love the school. I love how he learns, what he learns and how he plays! The staff, on the whole, are fantastic.

The staff have been phenomenal with [redacted] throughout the year. They do her April action plan each term and follow up, they met with me when they made any changes ie: weighted blanket and a tension band on her chair. I have felt very lucky to have such support.

Please write any other comments (positive or recommendations) below: We had a situation that initially was ~~perceived~~ ^{perceived} to be bullying but was actually just miscommunication and the school and Mr. Wallace dealt with it quickly and very efficiently for all parties and all concerns addressed within a day. I was blown away and relieved. An Amazing job!

Fantastic school for children, my only recommendation would be the many things happening sometimes weekly. I struggle to afford every single one which leaves the child feeling abit left out when friends are getting something, going to parties, dress up days etc.

[redacted] has settled into the school fantastically.

excellent school since Mr Wallace's
took over as head teacher

Please write any other comments (positive or recommendations) below:

activities are available however my child does not
want to do any of them

Please write any other comments (positive or recommendations) below:

I do feel there is a lot of pressure put on
the reception children to be able to read/^{write} at a
certain level. All children are different and
I think there needs to be less pressure. rx
