We will do everything reasonably practicable to prevent illness and injury to our staff / pupils, volunteers, sub-contractors, and other persons who may be affected by our activities.

In order to meet these objectives, we will.

- Provide suitable training and information for all staff.
- Ensure staff are competent to perform their duties and receive the necessary information.
- Ensure that all work equipment is suitable for their intended purpose and maintained in a safe condition.
- Fully assess all risks and ensure that they are adequately controlled.
- Ensure that our premises are as safe as possible and are adequately managed.

We expect our staff and the SLT leaders to play their part and recognize that they also have responsibilities toward health and safety. We will encourage them to take positive measures to improve anything that they feel is unsafe and that puts themselves and others at risk.

Everyone within Hindley Junior & Infant School will play their part to ensure that the above standards are achieved.
