Introduction

The Governing Body/Board has adopted a whole school pay policy to provide a clear framework for exercising its discretionary powers in relation to the pay of individual members of staff.

All pay related decisions will take account of the specific needs of the school and the flexibility specified within:

- the School Teachers' Pay and Conditions Document (STPCD);
- the National Conditions of Service for NJC Local Government Employees (Green Book); and
- locally agreed conditions of service.

Decisions will also comply with relevant employment and equality in employment legislation and, for support staff, in line with locally determined gradings in accordance with the job evaluation scheme.

The Governing Body/Board may also take account of the advice of Wigan Local Authority (LA) and the views expressed, through local consultation mechanisms, by recognised teachers' professional associations and teaching and support staff trade unions.

The majority of this policy refers to the discretionary elements of teachers' pay which do not currently exist to the same extent for support staff. However, the Governing Body/Board recognises the need to consider staffing as a whole and to be mindful of all job descriptions and the associated pay implications. The policy, therefore, equally addresses the management of pay issues for support staff as for teachers.

The provisions of the policy apply to part-time employees, where appropriate on a pro rata basis.

In respect of teachers' pay decisions this policy should be read in conjunction with the [Appraisal Policy for Teachers and Capability Procedure for all School Employees](#)

The policy complies with statutory requirements and also in-corporates locally agreed provisions and pay ranges which have been the subject of consultation with local trade unions.

The school staffing structure is attached [Appendix 1](#).

Principles

In adopting and applying this policy, the Governing Body/Board seeks to:

- meet its statutory duty to promote high standards of achievement amongst all pupils;
- support the aims/mission statement of the school and the implementation of the School Development Plan;
- ensure that each employee is valued and receives proper recognition for their work and contribution to the school;
- ensure fair, objective and open treatment of all staff within the school regardless of race, disability, sex, age, religion or belief, sexual orientation, pregnancy and maternity, gender reassignment;
- enhance and maintain staff morale through an awareness of the impact of decisions; and
- use appropriate flexibilities within the national and local pay and conditions of service, positively and constructively within the resources available and according to the criteria within the policy.

September 2021 Key Changes

Key changes to the STPCD 2021, make provision for:

- the September 2021 pay award and introduces an advisory pay points structure for the unqualified teacher pay range (UTPR); and
- a payment mechanism for tutoring delivered by main pay range teachers and upper pay range teachers to address learning disruption as a result of the pandemic.

In this school, the following apply, with effect from 1 September 2021:

A consolidated award of £250 is to be awarded to all teachers whose full-time equivalent basic earnings are less than £24,000. Updated pay ranges for unqualified teachers are set out on page 19 and appendix 7. The payment mechanism for school-led tutoring will be via TLR 3 payments as set out on page 5 and page 20.

The STPCD 2021 also reflects:

- a change in the number of days (reduction from 195 to 194/190 to 189) that teachers must be available to work, as a result of the additional Bank Holiday on Friday 3 June 2022 for the Queen's Platinum Jubilee; and
- changes to the statutory provisions for teacher induction (Early Career Framework).

The government expects schools to develop their own pay policies, within the parameters of the STPCD. In line with the normal process for setting a pay policy for schools in Wigan, full consultation has taken place locally with Headteachers and trade unions/professional associations in order to develop specific arrangements which are recommended to all schools by the Local Authority, and are set out in this Pay Policy.

Previous changes that continue to apply

Headteachers STPCD 2015; where the top of a Headteacher's Individual Salary Range (ISR) coincided with the top of the Headteacher group, no uplift of 1% in 2015/16 – effectively freezing the annual salary at the 2014/15 rate. Introduction of two values for each of the points on the Leadership pay range which corresponded to the top of the eight Headteacher Groups points with the lower value relating to the 'frozen' salaries. Included in the Leadership Pay Range, differentiated by the addition of 'A' and 'B' to each of the appropriate points. See Appendices 2/2a.

Leadership Group STPCD 2014; a number of changes to the arrangements for pay which continue to apply, and are therefore included in this policy.

Teachers STPCD 2013; Link pay progression to performance, removal of ASTs and Excellent Teacher pay scales and assessment processes, new Leading Practitioner pay range; new fixed-term TLR3; and removal of 3 year limit on Recruitment and Retention incentives/benefits.

Decisions on pay progression in September 2014 were linked to performance for all teachers, in accordance with the STPCD 2014. Performance related pay continues to be a statutory requirement and is reflected in this policy.

Job descriptions and job evaluation

The Headteacher will ensure that each member of staff is provided with a job description in accordance with the staffing structure agreed by the Governing Body/Board.

Job descriptions may be reviewed from time to time in consultation with the individual employee concerned based on the changing needs of the school.

Where the Job Family Framework for school support staff has been adopted and implemented within the school, support roles will be matched to appropriate role profiles within the framework, which have been formally evaluated for pay purposes.

In respect of unique support roles, which do not fit with the role profiles, and in schools where the Framework has not been adopted, each job/post will be evaluated for pay purposes on the basis of the job description and staffing structure using objective criteria set by the school, such as accountability and responsibility.

Performance Related Pay (PRP)

In line with the Appraisal Policy, Appraisers are responsible for appraisal/performance management.

The Headteacher may either be the Appraiser for other teachers, including members of the leadership group, and Leading Practitioners, or may delegate this role in its entirety.

The Governing Body/Board may appoint two to three members of the Governing Body/Board as Appraisers for the Headteacher, together with an External Adviser, as required by appraisal legislation.

All teachers as well as the leadership group, are subject to PRP.

In formulating performance objectives, this Pay Policy must be taken into account, so that individuals are aware of what is required in order to progress through their respective ranges.

Qualified Teacher Learning and Skills Status (QTLS)

With effect from 1 April 2012, teachers with QTLS status are able to teach in schools as fully qualified teachers. Headteachers have the freedom to decide which standards they assess the performance of QTLS holders against. They can either assess QTLS holders' performance against the Teachers' Standards or against any other set of standards relating to teacher performance issued by the Secretary of State or against any other professional standards that are relevant to their performance or against any combination of those three.

Early Career Teachers (ECTs)

In the case of early careers teachers, headteachers will determine the teachers performance and any pay recommendations by means of the statutory induction process set out in the Education (Induction Arrangements for School Teachers) (England) Regulations 2012.

From 1 September 2021, updated statutory guidance will come into effect as part of the Early Career Framework reforms. The guidance sets out a number of changes including the extension of the induction period from one to two years. Schools must ensure that this extension does not negatively affect an early careers teachers' pay or career progression opportunities and this does not prevent a school from awarding pay progression to ECTs at the end of the first year.

For teachers who have started, but not completed induction by 1 September 2021, the statutory induction guidance for newly qualified teachers 2018 will continue to apply.

School-led Tutoring

With effect from September 2021, main pay range teachers and upper pay range teachers can be awarded a fixed-term TLR3 to deliver school-led tutoring to address learning disruption as a result of the pandemic.

TLR3 payments are set out on page 20 of this policy.

Policy review

The Governing Body/Board will undertake an annual review of this policy in light of:

- any changes to national or local conditions of service which require amendment to the policy;
- experience of the previous year's implementation of the policy; or
- changes in the needs of the school.

Professional association/ trade union representatives will be consulted. HR and OD Services will undertake this exercise on behalf of schools in relation to its recommended policy. Each school may tailor the policy to their needs and status, but should consult Professional Associations/Trade Unions if they make fundamental changes.

By 31st October each year, or as soon as practicable thereafter, the Pay Committee will review the salaries of all staff in relation to their job descriptions and, where applicable, performance related pay. Following the review, each member of staff will be notified in writing of their salary point with effect from September of that year, and how it has been calculated in respect of the relevant pay range and performance pay.

For teachers, Appendices 3a and 3b outline the information required in pay statements.

In addition, where a performance pay point has not been awarded, specific reasons will be given in an appendix to the statement.

Information and Confidentiality

Each member of staff has the right of access to their salary record by giving notice to the Headteacher.

All decisions of the Pay/Pay Appeal Committees, together with the criteria used and evidence to inform decisions, will be formally minuted (in accordance with the regulations applicable to all committee meetings of the Governing Body/Board) and reported to the Governing Body/Board in the confidential section of the minutes. The minutes will be retained as confidential on the pay file.

Financial Resource

The Governing Body/Board will allocate funding annually for staff salaries which will cover all ongoing commitments. The pay committee will ensure all pay progression is budgeted for.

The budget allocated will take account of central Government grants and the need to balance the school's aims, as defined within its Development Plan and the school's own resources available to support these aims.

Appeals

Any employee may seek a review of a decision in relation to their pay and other decisions taken that affect their pay. The procedure is attached at Appendix 4.

Committee Membership and Withdrawal from Meetings

The Education (School Government) (England) Regulations 2003 require that any Governor who is a person employed to work at the school (other than the Headteacher) must withdraw during the consideration or discussion and cannot vote in relation to the pay of any particular person working at the school. Such governors will not therefore be members of the school's Pay Committee or Pay Appeal Committee.

The Headteacher must withdraw during discussion and determination of his/her own pay and during discussion of the Deputy's pay if a question of differentials between the Deputy and the Headteacher is to be discussed.

The Headteacher will therefore have an advisory role to the school's Pay Committee and Pay Appeal Committee, but will not be a member of either Committee.

Responsibilities

The Governing Body/Board:

- Establish the School's Pay Policy ensuring its application in practice and review on an annual basis.
- Determine the annual pay budget.
- Establish a Pay Committee with delegated responsibility and authority to implement the policy on its behalf and to hear any representations concerning decisions made, should they be requested.
- Establish a Pay Appeal Committee to hear appeals against decisions of the Pay Committee concerning the pay of individual employees.

The Appraiser(s):

- Make recommendations on the award of PRP points to relevant teachers.
The initial recommendations will be moderated by the Headteacher to ensure a fair and consistent approach to pay progression within the school, before they are submitted to the Pay Committee for them to make pay decisions. In the event that the Headteacher considers that a change to the initial pay recommendation is necessary, they will discuss this with the Appraiser (if this role has been delegated), and then will explain the decision to the teacher concerned before it is submitted to the Pay Committee.

In the case of the Headteacher's review, the Pay Committee will review the Headteacher's performance and award the PRP points and confirm the [Headteacher Pay Range](#).

The Headteacher:

- Ensure that the Pay Committee is provided with sufficient information to be satisfied that a robust and fair appraisal process is in place, and that pay recommendations are based on this process.
Whilst this does not require the provision of individuals' appraisal documents, it may include information in the form of a summary, drawn from appraisal documents. In the event of a review of a pay decision, or an appeal, it is expected that all the documents relating to the pay recommendation and the pay decision will be shared with the relevant parties, on a confidential basis.

Leadership Group

Pay Ranges

The Headteacher, Deputy Headteacher(s) and Assistant Headteacher(s) (where appointed) have substantial strategic responsibilities for school leadership and will be paid on the leadership pay range.

The STPCD 2021 stipulates the minimum and maximum values of each of the eight Headteacher Groups and the leadership pay range and states that it is for schools to decide how to arrange pay within these parameters. By adoption of this policy, the former leadership pay range will be retained for use in this school, extended by nine additional points to accommodate the discretion to set a pay range up to 25% beyond the top of the Headteacher Groups.

The leadership pay range is attached at Appendix 2 and includes examples to show how it can be used.

The STPCD requires that there is sufficient scope within an individual's pay range to allow for performance related progress over time. Locally it has been agreed that this will be achieved by continuing to use a seven point range for Headteacher posts, and a five point range for other leadership posts.

Setting pay for Headteacher posts

The relevant body must assign a school to a headteacher group and determine the headteacher's pay range whenever it proposes to appoint a new headteacher. It should also re-determine the headteacher's pay range if it becomes necessary to change the headteacher group (including where the headteacher becomes responsible and accountable for more than one school in a federation on a permanent basis). It may also determine the headteacher's pay range at any time if it considers it necessary to reflect a significant change in the responsibilities of the post. The relevant body should not take account of the salary of the serving headteacher if it re-determines the headteacher's pay range for a new appointment.

The STPCD requires that all permanent responsibilities and the complexity and challenge of the role in the context of the school are taken into account when setting base pay for the Headteacher and other leadership roles. Allowances are payable only in respect of temporary responsibilities, such as temporary responsibility for another school.

To comply with this requirement, the steps set out in this section should be followed when setting pay for Headteachers.

The responsibilities and accountabilities of the post, and the required skills and relevant competencies should be defined by the Governing Body/Board and set out in the job description and person specification.

The school must be assigned to a Headteacher Group by calculating the total unit score in accordance with the method set out in the STPCD 2021 (paragraphs 5 – 9). Where a Headteacher is permanently responsible for more than one school, the total unit score of all the schools must be used when assigning the Headteacher group. This process will give the broad pay range for the post.

An individual seven point pay range must then be established for the Headteacher post. The challenge and complexity of the role in the particular context of the school should be considered at this stage, and a judgement made on the appropriate level of pay.

Examples of the matters to be considered are as follows:

- Context and challenge arising from pupils' needs – e.g. if there is a high level of deprivation in the community, or high numbers of looked after children or children with special needs, or a high level of pupil mobility, and this affects the challenge in improving outcomes;

Introduction

Leadership Group

Other Teachers

Discretionary Allowances

Leadership Group

- The circumstances of the school – e.g. it is rated by Ofsted as requires improvement or is in special measures;
- The level of complexity in the role e.g. managing multiple stakeholders, or across dispersed sites; and
- Whether there are recruitment or retention issues relative to the post.

There must be no ‘double counting’ of considerations, to avoid pay being increased more than once for the same reason. For example, responsibility for more than one school cannot be a reason for increasing base pay if it has been reflected already by using the total score unit of all schools in calculating the Headteacher Group for the school.

There should be no increase in base pay nor payment of an additional allowance for regular local collaboration which is part of the role of all Headteachers.

Account should be taken of pay differentials between the Headteacher role and other leadership roles. The maximum of the deputy or assistant headteacher’s pay range must not exceed the maximum of the headteacher group for the school. The pay range for a deputy or assistant headteacher should only overlap the headteacher’s pay range in exceptional circumstances.

In most cases the pay range in the appropriate Headteacher Group will provide sufficient breadth within which to allocate an individual pay range which appropriately rewards the Headteacher role.

There may be circumstances where the particular responsibilities of the role are such that it is judged that a fair reward for the post goes beyond the top of the Headteacher Group.

In these circumstances, the Governing Body/Board may set the individual pay range with a maximum point of up to 25% above the top of the Headteacher Group.

There must be a clear business case for doing so. In wholly exceptional circumstances, it may be possible to go beyond 25%, but external independent advice must be sought in such cases and, should the advice suggest that an additional payment is appropriate, a robust business case must be made and agreed by the full Governing Body/Board.

The provision to set a pay range up to 25% above the top of the Headteacher Group is **applicable only to Headteacher posts** – it does not apply to other posts on the Leadership Pay Range.

In setting a pay range beyond the top of the Headteacher Group, the Governing Body/Board should ensure that the seven point range corresponds to points on the leadership pay range.

Whilst this means that exact % payments cannot be necessarily applied, it still gives considerable flexibility and extends each group by up to an additional nine points. Examples of setting such pay ranges are provided in Appendix 2b.

Any permanent features of the Headteacher role must be taken into account when setting base pay.

Any temporary responsibilities, such as temporary responsibility for an additional school, must be paid through an allowance rather than being consolidated in base pay.

The maximum of the Headteacher’s individual pay range plus any additional temporary allowances must not exceed the maximum of the Headteacher Group by more than 25%, unless there is a robust business case as outlined in the previous section (highlighted). The total sum of any temporary payments made to a Headteacher in any school year must not exceed 25% of the annual salary which is otherwise payable to the Headteacher. (See also page 11. Temporary Discretionary Payments).

Setting pay for Headteacher posts continued

Any recruitment and retention considerations should be taken into account when setting base pay, and so a Headteacher will not be eligible to receive recruitment and retention incentives or benefits as a separate payment. The only exception to this is reimbursement of reasonably incurred housing or relocation expenses which relate solely to the personal circumstances of the Headteacher concerned. In such cases, the amount paid will not count towards the 25% limit.

In wholly exceptional circumstances, the Pay Committee may determine that additional payments be made to Headteachers which do exceed the 25% limit. Agreement from the Governing Body/Board would have to be obtained, who must first seek external independent advice before agreeing to any such payments.

Where there is a new appointment and the individual pay range has been set as above, the Governing Body/Board will need to decide on a starting salary, once they have selected their preferred candidate.

Consideration will need to be given to how well the candidate fits the requirements of the role, whether

they bring any particularly valuable skills or experience which will assist the school, and matters such as current salary, which may have a bearing on the starting salary.

It may be the case that the candidate has specific attributes which the Governing Body/Board wishes to secure by making the pay package more attractive. In these circumstances, the Governing Body/Board may wish to consider revising the original pay range and improving it to incentivise the individual concerned to accept the post. If this is to be considered, the top of the revised grade must be within the 25% limit, and there must be no double-counting of the reasons for increasing the pay range.

The Governing Body/Board will formally record all decisions taken in respect of Headteacher's pay, including any temporary allowances, together with the rationale for the decisions.

Appointing to the wider Leadership Group

Appointments to positions other than the Headteacher post in the wider leadership group require a similar consideration process to that outlined for Headteacher posts—excluding the provision to set a pay

range up to 25% beyond the top of the Headteacher Group (this is applicable only to Headteacher posts)

The pay range for a Deputy or Assistant Head post must consist of five consecutive spinal column points on the leadership pay range.

In setting pay for leadership posts, consideration must be given to the duties and responsibilities of the role, the job weight and challenge, and how the role fits within the wider leadership structure of the school.

Pay differentials must be taken into account to ensure that the maximum of the deputy or assistant teacher's pay range does not go beyond the top of the Headteacher group for the school. The pay range for a deputy or assistant headteacher should only overlap the head-teacher's pay range in exceptional circumstances.

Any permanent features of the Deputy or Assistant Headteacher role must be taken into account when setting base pay.

Any temporary responsibilities, such as temporary participation in out-of-school hours activities, must be paid through an allowance rather than being consolidated in base pay.

Appointing to the wider Leadership Group cont...

Any recruitment and retention considerations about the post should be taken into account when setting base pay. A Deputy or Assistant Headteacher will not be eligible to receive recruitment and retention incentives or benefits as a separate payment. The only exception to this is reimbursement of reasonably incurred housing or relocation expenses which relate solely to the personal circumstances of the deputy or assistant Headteacher concerned.

There must be no 'double counting' of considerations, to avoid pay being increased more than once for the same reason.

Where there is a new appointment to a Deputy or Assistant Headteacher post, and the individual pay range has been set in the manner outlined above, the Governing Body will need to decide on a starting salary for the individual, once they have selected their preferred candidate.

Consideration will need to be given to how well the candidate fits the requirements of the role, whether they bring any particularly valuable skills or experience which will assist the school, and matters such

as salary, which may have a bearing on the starting salary.

The Governing Body/Board will formally record all decisions taken in respect of the deputy or assistant Headteacher's pay, including any temporary allowances, together with the rationale for the decisions.

Temporary discretionary payments to Headteachers

The Pay Committee may determine that additional payments be made to Headteachers for clearly temporary responsibilities or duties that are in addition to the post for which their salary has been determined (e.g. where the Headteacher is appointed as a temporary Headteacher of one or more schools). The reasons for the circumstances must not have been taken into account when setting the Headteacher's pay range.

The total sum of any temporary payments (other than relocation expenses) made to a Headteacher in any school year must not exceed 25% of the annual salary which is otherwise payable.

Only in wholly exceptional circumstances where the payments have been approved by the full Governing Body/Board, and where external independent advice has been sought, may the total of all

temporary discretionary payments exceed 25%.

Performance Related Pay

Reviewing

On an annual basis, the performance of headteachers, deputies and assistants will be assessed by the Appraiser(s) in order to ascertain whether the statutory criterion of 'sustained high quality of performance having regard to the results of the most recent appraisal' has been met. The performance review will need to assess whether leadership group members have grown professionally by developing their leadership and (if relevant) teaching expertise.

In determining whether these statutory criteria have been met, the Appraiser(s) will consider whether the leadership teacher has:

- sustained the Headteacher/Deputy/Assistant Headteacher professional responsibilities as detailed within the STPCD in a fully satisfactory manner;
- achieved or made good progress towards the performance objectives agreed or set under the school's Appraisal Policy; and
- grown professionally by developing their leadership and (where relevant) teaching expertise.

Introduction

Leadership Group

Other Teachers

Discretionary Allowances

Support Staff

Performance Related Pay continued

In considering whether the performance objectives have been met, account will be taken of whether particular unforeseen circumstances outside the teacher's control may have led to a particular challenging objective not being achieved.

Objectives will become progressively more challenging as the leadership group member gains experience and if they move up the pay spine.

The Appraiser(s) will make recommendations and provide evidence, as appropriate, on whether the PRP criteria have been met. Where the criteria have been met, pay progression by one point would normally be recommended – unless the individual has reached the top of their pay range. Where evidence shows that there has been exceptional performance by the leadership teacher, an award of one additional point may be recommended. If the evidence shows that the individual has not made good progress, then the appraiser may recommend that there should be no pay progression.

Before making a decision to withhold pay progression, the

Governing Body/Board must be satisfied that the teacher has been made aware of concerns about their performance during the course of the appraisal process, that the concerns have been documented, and that the teacher has had appropriate support from the school to improve.

The possibility of progression being withheld should not come as a surprise to the teacher concerned. It is not necessary for a teacher to be subject to capability proceedings in order for pay progression to be withheld.

The Pay Committee will take the above mentioned factors into account in making its decisions on pay progression for teachers in the leadership group.

Temporary Arrangements

The Pay Committee will consider paying a teacher who is temporarily carrying out the full duties of an absent Headteacher, Deputy or Assistant Headteacher at an appropriate point within the Headteacher's or Deputy/Assistant Headteacher's individual pay ranges when the absence extends beyond four weeks.

The temporary pay point will not necessarily be the same as the point on the leadership pay range

of the substantive post holder but will not be less than the minimum point of the established individual pay range. The increase in salary will be back-dated from the first day of absence.

In the case of planned prolonged absence of more than four weeks, an acting pay point within the Headteacher, Deputy or Assistants pay ranges will be established in advance and paid from the first day of absence.

When the temporary period of acting up comes to an end, the teacher concerned will return to the point on their substantive pay range which would have applied had they not taken up the temporary arrangement.

Safeguarding

In accordance with statutory provisions, members of the leadership group who will or may have their substantive salaries reduced as a result of an internal reorganisation or the staffing structure or otherwise, are subject to time limiting cash safeguarding for a maximum of three years.

Written notification must be provided within one month of taking the decision the effect of which is that the safeguarding sum is payable.

Pay on Appointment

Qualified classroom teachers who have not yet applied to be paid on the upper pay range will be paid on the main pay range for Qualified Teachers. The Governing Body/Board should match existing salary points for all new appointments.

The Governing Body/Board, where necessary, may use its discretion to award a recruitment incentive benefit to secure the candidate of its choice, in line with the following section.

Main Pay Range Classroom Teachers

Pay determinations for existing main pay range teachers effective from 1 September 2021.

The Pay Committee will use the following pay range:

Main Pay Range for Classroom Teachers 2021	
Point	Annual Salary (£)
M1	25,714
M2	27,600
M3	29,663
M4	31,777
M5	34,099
M6	36,960

Appraisal objectives will be appropriate to the career stage and teachers will be expected to use their experience and skills, which they have developed over time, to a greater extent as they progress up the main pay range.

Teachers will have the opportunity to progress up the main pay range one point at a time, on an annual basis. To move to the next point on the range, teachers will need to have made good progress towards their objectives and have shown that they are competent in all elements of the Teachers' Standards attached in **Appendix 5**, to a level that is consistent with what can be reasonably expected from a teacher at the relevant stage of their career, having regard to the internal teaching and learning policy within the school.

If the evidence shows that a teacher has exceptional performance, the Governing Body/Board will consider using its flexibilities to award one additional point on progression.

Exceptional performance could, for example, be exceeding the majority of their objectives or achieving a particularly challenging objective, as well as demonstrating competence in all elements of the teachers' standards.

If the evidence shows that a teacher has not made good progress, as described above, the Governing Body/Board will consider using its flexibilities and may award no pay progression.

Before making a decision to withhold pay progression, the Governing Body/Board must be satisfied that the teacher has been made aware of concerns about their performance during the course of the appraisal process, that the concerns have been documented, and that the teacher has had appropriate support from the school to improve. The possibility of progression being withheld should not come as a surprise to the teacher concerned. It is not necessary for a teacher to be subject to capability proceedings in order for pay progression to be withheld.

All pay judgements will be properly rooted in evidence. Evidence will be included in the annual appraisal reports and will relate to teachers' standards, other relevant professional standards, contribution to school improvement, and to the progress of pupils, as well as to the teacher's individual objectives, and their job description. (see note).

The process for assessing teachers against these factors is contained in the school's Appraisal Policy.

All pay recommendations for teachers on the main pay range will be moderated by the Headteacher.

The Pay Committee will be advised by the Headteacher in making all decisions. Any increase (i.e. no movement, one point, two points) will be clearly attributable to the performance of the teacher in question. In the event of an appeal process the Pay Committee will be able to justify its decisions.

The Upper Pay Range

Post Threshold

The Governing Body/Board has established the following upper pay range for Teachers who meet the criteria for this range (as set out in this section of the policy):

Upper Pay Range for Classroom Teachers 2021

Point	Annual Salary (£)
U1	38,689
U2	40,124
U3	41,603

Applications to be paid on the Upper Pay Range

Teachers can apply to be paid on the upper pay range (UPR), once a year.

The Headteacher may identify those teachers who are eligible to apply, and remind them of the time-scale for applications. If a teacher is simultaneously employed at another school(s), they may submit separate applications if they wish to apply to be paid on the UPR in that school.

All applications should include the results of the two most recent appraisals, under the Appraisal Regulations 2012, in this school, including any recommendation on pay.

Where such information is not applicable or available, (e.g. those returning from maternity or sickness absence), or where existing evidence needs to be supplemented, a written statement and summary of evidence designed to demonstrate that the applicant has met the assessment criteria must be submitted by the applicant. Where teachers have moved school during the assessment period, the Headteacher should consult with the Headteacher of the previous school to seek evidence as to the teacher's suitability for progression.

In order for the assessment to be robust, transparent and equitable, it will be an evidence-based process only. Teachers therefore should ensure that they build a mainly

paper evidence base to support their application. Those teachers who are not subject to the Appraisal Regulations 2012, or who have been absent, through sickness, disability or maternity, may cite written evidence from a 3 year period before the date of application in support of their application.

Process for UPR application

One application may be submitted annually. The closing date will be **31st October**, however, exceptions will be made in particular circumstances, e.g. those teachers who are currently on maternity leave or sick leave.

The process for applications is:

- The teacher should submit a written application and supporting evidence to the Headteacher by **31st October**;
- The assessor will assess the application, and make a recommendation to the school's Pay Committee;
- The application, evidence and recommendation will be passed to the Headteacher for moderation purposes, if the Headteacher is not the assessor;
- The Pay Committee will make the final decision, advised by the Headteacher;

Process for UPR application continued...

- Teachers will receive written notification of the outcome of their application within one month of the Pay Committee's decision. Where the application is unsuccessful, the written notification will include the areas where it was felt that the teacher's performance did not satisfy the relevant criteria set out in this policy;
- If requested, oral feedback will be provided by the assessor. Oral feedback will be given within 10 school working days of the date of notification of the outcome of the application. Feedback will be given in a positive and encouraging environment and will include advice and support on areas for improvement in order to meet the relevant criteria. Feedback will be documented, where appropriate;
- Successful applicants will move to the minimum of the UPR with effect from **1 September** of the year in which they made their application; and
- Unsuccessful applicants have the right to appeal against the decision, in accordance with the appeals process set out in page 6 and **Appendix 4** of this policy.

Assessment process for UPR application

The teacher will be required to meet the criteria set out in the STPCD, namely that:

the teacher is highly competent in all elements of the relevant standards; and

the teacher's achievements and contribution to an educational setting or settings are substantial and sustained.

In this school, this means:

'relevant standards': these are the Teachers' Standards (attached at **Appendix 5**);

"highly competent": the teacher's performance is not only good but also good enough to provide coaching and mentoring to other teachers, give advice to them and demonstrate to them effective teaching practice and how to make a wider contribution to the work of the school, in order to help them meet the relevant standards and develop their teaching practice;

"substantial": the teacher's achievements and contribution to the school are of real importance, validity or value to the school; plays a critical role in the life of the school; provides a role model for teaching and learning; make a distinctive contribution to the raising of pupil standards; takes advantage of appropriate opportunities for professional development and uses the outcomes effectively to improve pupils' learning; and

"sustained": Headteachers should review on an annual basis although the period is recommended as two consecutive successful appraisals, to ensure substantial and sustained progress towards their objectives is evidenced. Teaching expertise over the relevant period must be consistently good to outstanding. (see exceptions, e.g. maternity/sick leave, in the introduction to this section).

The process for assessing teachers against these factors is contained in the school's appraisal policy.

UPR pay determinations effective from 1 September 2021

Teachers will be reviewed on an annual basis to determine whether they have sufficient evidence to support progression up the upper pay range by one point, however they must ensure that the criteria set out in page 15 'Assessment Process for UPR Application' has been met.

The Pay Committee will determine whether there should be any movement on the upper pay range. In making such a determination, it will take into account:

- the evidence base, which should show whether the teacher has had a successful appraisal and has made good progress towards objectives;
- evidence that the teacher has maintained the criteria set out on page 15 'Assessment Process for UPR Application', namely that the teacher is highly competent in all elements of the relevant standards; and that the teacher's achievements and contribution to an educational setting or settings are substantial and sustained. The meaning of these criteria is set out in this policy (page 15).

Appraisal objectives will become more challenging as the teacher gains experience and progresses up the upper pay range.

Pay progression on the upper pay range will be clearly attributable to the performance of the individual teacher. The Pay Committee will be able to objectively justify its decisions.

Where it is clear that the evidence shows the teacher has made good progress, i.e. they continue to maintain the criteria set out page 15, and has made good progress towards their objectives, the teacher will move to the mid-point on the upper pay range; or if already on the mid-point, will move to the top of the upper pay range.

If the evidence shows that a teacher has not made good progress, as described above, then the Governing Body/Board will consider using its flexibilities and may award no pay progression.

Before making a decision to withhold pay progression, the Governing Body/Board must be satisfied that the teacher has been made aware of concerns about their performance during the course of the appraisal process,

concerns have been documented, and that the teacher has had appropriate support from the school to improve. The possibility of progression being withheld should not come as a surprise to the teacher concerned. It is not necessary for a teacher to be subject to capability proceedings in order for pay progression to be withheld.

The process for assessing teachers against these factors is contained in the school's Appraisal Policy.

All pay recommendations for teachers on the upper pay range will be moderated by the Headteacher.

The Pay Committee will be advised by the Headteacher in making all such decisions.

Leading Practitioner Roles

The role of a Leading Practitioner

If it is determined that a Leading Practitioner role is required in this school, to lead on modelling and improving teaching skills, then the following will apply.

The Governing Body/Board will take account of paragraph 16 and paragraphs 35-37 in section 3 of the STPCD when determining the role of Leading Practitioner in this school. Additional duties will be set out in the job description of the Leading Practitioner and will include:

- a leadership role in developing, implementing and evaluating policies and practices in the school that contribute to school improvement;
- the improvement of teaching skills within school, and (if a requirement of the role) within the wider school community, which impact significantly on pupil progress;
- improving the effectiveness of staff and colleagues, particularly in relation to specific areas such as **[schools to insert specific areas here]**.

Leading Practitioner Pay Range

The Governing Body/Board has established the following Leading Practitioner pay range:

Leading Practitioner Pay Range 2021	
Point	Annual Salary (£)
LP1	42,402
LP2	43,643
LP3	44,584
LP4	45,658

LP14	58,421
LP15	59,874
LP16	61,466
LP17	62,878
LP18B	64,458

Pay on appointment

When appointing to a Leading practitioner role, the Governing Body/Board will determine a pay range for the post, consisting of five consecutive points within the Leading Practitioner pay range.

In determining the five point range, the Governing Body/Board should take into account the following criteria, together with any other criteria they consider appropriate:

- the nature of the work to be undertaken, including any work with teachers from other schools;
- the degree of challenge of the role;
- how the post will fit into the structure of the school, in terms of internal pay relativities; and
- the status of the grade as an alternative to posts paid on the leadership pay range.

Applicants will normally be expected to be on the upper pay range; or to be at the top of main pay range, and have demonstrated that they meet the criteria to move onto the first point of the upper pay range, and would be moved on to that point if they were not appointed as a Leading Practitioner.

Leading Practitioner Roles; Pay on appointment continued

Leading Practitioners will be appointed to the lowest point on their specified five point pay range, and will have the opportunity to move up the range one point at a time, on an annual basis, subject to successful annual assessment against the required standards of the post.

Pay determinations with effect from 1 September 2021

The Headteacher will agree appraisal objectives for the Leading Practitioner.

The Pay Committee will have regard to the results of the Leading Practitioner's appraisal, including the pay recommendation, when exercising any discretion in relation to their pay.

The Pay Committee will take account of evidence which should show whether the Leading Practitioner:

- has made good progress towards their objectives;
- is an exemplar of teaching skills, which should impact significantly on pupil progress, within school and within the wider school community, if relevant;

- has made a substantial impact on the effectiveness of staff and colleagues, including any specific elements of practice that have been highlighted as in need of improvement;
- is highly competent in all aspects of the Teachers' Standards; and
- has shown strong leadership in developing, implementing and evaluating policies and practice in their workplace that contribute to school improvement.

'Highly competent' and 'substantial' are defined on page 15.

Pay progression on the Leading Practitioner pay range will be clearly attributable to the performance of the individual teacher. The Pay Committee will be able to objectively justify its decisions.

If the evidence shows that a teacher has not made good progress, as described above, then the Governing Body/Board will consider using its flexibilities and may award no pay progression.

Before making a decision to withhold pay progression, the Governing Body/Board must be satisfied that the teacher has been made aware of concerns about their performance during the course of the appraisal process, that the

concerns have been documented, and that the teacher has had appropriate support from the school to improve.

The possibility of progression being withheld should not come as a surprise to the teacher concerned. It is not necessary for a teacher to be subject to capability proceedings in order for pay progression to be withheld.

The process for assessing teachers against these factors is contained in the school's appraisal policy.

All pay recommendations for teachers on the Leading Practitioner pay range will be moderated by the Headteacher.

The Pay Committee will be advised by the Headteacher in making all such decisions.

Unqualified Teachers

The Governing Body/Board prefers to recruit qualified classroom teachers. However, where there are recruitment difficulties, it may be necessary, from time to time, to employ unqualified teachers. In such circumstances, the Governing Body/Board will seek to support the teacher, where possible, to become qualified through the School Direct scheme or other recognised routes to QTS.

Unqualified Teachers continued

The Governing Body/Board has established the following Pay Range for Unqualified Teachers:

Pay Range for Unqualified Teachers 2021	
Point	Annual Salary (£)
1	18,418
2	20,532
3	22,643
4	24,507
5	26,621
6	28,734

Pay on appointment

The Pay Committee will pay any unqualified teacher in accordance with the above pay range.

The Pay Committee will determine where a newly appointed unqualified teacher will enter the pay range, having regard to any qualifications or experience they may have, which they consider to be of value. The Pay Committee will consider whether it wishes to pay an additional allowance, in accordance with paragraph 22.1 of the STPCD.

Pay determinations effective from 1 September 2021

Unqualified teachers will have the opportunity to progress up the unqualified teachers' pay range one point at a time, on an annual basis. To move to the next point on the range, unqualified teachers will need to show that they have made good progress towards their objectives.

Where it is clear from the evidence that the teacher's performance is exceptional and exceeds expectations, the Pay Committee may award enhanced pay progression of up to two points on the unqualified teacher range.

If the evidence shows that an unqualified teacher has not made good progress, as described above, then the Governing Body/Board will consider using its flexibilities and may award no pay progression.

Before making a decision to withhold pay progression, the Governing Body/Board must be satisfied that the unqualified teacher has been made aware of concerns about their performance during the course of the appraisal process, that the concerns have been documented, and that the teacher has had appropriate support from the school to improve.

The possibility of progression being withheld should not come as a surprise to the teacher concerned.

It is not necessary for a teacher to be subject to capability proceedings in order for pay progression to be withheld.

All pay judgements will be properly rooted in evidence; evidence will be included in the annual appraisal reports, and will relate to teachers' standards attached to this policy in Appendix 5, contribution to school improvement, and to the progress of pupils, as well as to the teacher's individual objectives, and their job description.

The process for assessing teachers against these factors is contained in the school's Appraisal Policy.

All pay recommendations for teachers on the unqualified teachers' pay range will be moderated by the Headteacher.

The Pay Committee will be advised by the Headteacher in making all such decisions.

Pay progression on the unqualified teachers' range will be clearly attributable to the performance of the individual teacher. The Pay Committee will be able to objectively justify its decisions.

Teaching and Learning Responsibility Payments

The Pay Committee may award a TLR payment to a classroom teacher for undertaking a sustained additional responsibility, for the purpose of ensuring the continued delivery of high-quality teaching and learning and for which the teacher is made accountable.

The award may be while a teacher remains in the same post or occupies another post in the absence of a post-holder, in accordance with, and subject to, paragraph 3 and paragraphs 20.2 and 20.3 of the STPCD.

A teacher may not be awarded more than one TLR1 or TLR2 concurrently. Unqualified teachers may not be awarded TLRs.

With the exception of subparagraphs (c) and (e), which do not have to apply to the award of TLR3s, before awarding any TLR, the relevant body must be satisfied that the teacher's duties include a significant responsibility that is not required of all classroom teachers and that:

- a) is focused on teaching and learning;
- b) requires the exercise of a teacher's professional skills and

judgement;

c) requires the teacher to lead, manage and develop a subject or curriculum area; or to lead and manage pupil development across the curriculum;

d) has an impact on the educational progress of pupils other than the teacher's assigned classes or groups of pupils; and

e) involves leading, developing and enhancing the teaching practice of other staff.

In addition, before awarding a TLR1, the relevant body must be satisfied that the sustained, additional responsibility referred to above includes line management responsibility for a significant number of people.

TLR 1 and TLR 2 Payments

The values of TLRs that may be awarded as appropriate in the school are:

TLR 2 A	£2,872	TLR 1 A	£8,291
B	£4,783	B	£10,199
C	£6,695	C	£12,114
C (higher)	£7,016	D	£14,029

TLRs will be awarded, in accordance with the statutory criterion and factors for these payments outlined as

outlined above to the holders of the posts as indicated in the staffing structure attached at Appendix 1.

TLR 3 Payments

The Pay Committee may award a fixed term TLR3 for clearly time-limited school improvement projects, or one-off externally driven responsibilities as set out in the STPCD.

The annual value of a TLR3 must be no less than £570 and no greater than £2833.

The basis on which the TLR3 has been awarded, the duration of the fixed term, and the amount of the award, which will be paid in monthly instalments, will be set out in writing to the teacher. No safeguarding will apply in relation to an award of a TLR3.

TLR3s should not be awarded consecutively for the same responsibility unless that responsibility relates to tutoring to deliver catch-up support to pupils on learning lost during the pandemic.

The range for TLR3s refers to the annual value of such an award. Where a TLR3 is awarded with a fixed term of less than one year then the total value should be determined proportionately to the annual value. Where a TLR3 is awarded to a part-time teacher the value should not be amended to reflect the part-time hours of the individual in receipt of the award; the pro-rata principle does not apply to TLR3s.

Discretionary Allowances and Payments

Special Educational Needs

The relevant body must award an SEN allowance to a classroom teacher:

- (a) in any SEN post that requires a mandatory SEN qualification;
- (b) in a special school;
- (c) who teaches pupils in one or more designated special classes or units in a school; and
- (d) has a greater level of involvement in the teaching of children with special educational needs than is the normal requirement of teachers throughout the school.

Where an SEN allowance is to be paid, the school must determine which rate should be applied, taking into account the structure of the school's SEN provision and the following factors:

- (a) whether any mandatory qualifications are required for the post;
- (b) the qualifications or expertise of the teacher relevant to the post; and
- (c) the relative demands of the post.

Schools should continue to use the criteria that they applied to distinguish between the former first and second allowances, in order to decide which level of SEN allowance to apply:

Minimum level of £2,269 p.a.

Maximum level of £4,478 p.a.

For example, a school may have an arrangement that provides for the higher SEN allowance to be paid where a teacher has the mandatory qualifications for the post concerned, and in addition has a particular level of expertise or experience in teaching SEN pupils. It is for each school to consider this matter, and they should ensure that any criteria are fair and reasonable, and applied in a consistent manner.

In accordance with page 5 'Policy Review, Governing Bodies undertake an annual review of the Pay Policy, and this will include consideration of the SEN allowances and whether the teachers concerned are on the appropriate level of allowance. Should decisions be made which result in the withdrawal of or a reduction in value of the allowance, normal safeguarding arrangements will apply to the individuals concerned for a three year period.

Recruitment and Retention Incentives

The discretion to award recruitment or retention incentives and benefits to classroom teachers or Leading Practitioners will only be considered where there is specific evidence to support one of the following criteria:

- (a) it is proving very difficult to recruit to a post, (for example, where, following one or more advertisements, insufficient staff of the right quality apply for the post); or
- (b) where a key member of staff with skills and expertise that are in high demand is likely to seek employment elsewhere in the near future and it has not proven possible to allocate additional responsibilities and award an appropriate grading.

In such circumstances, the recruitment or retention incentives or benefits will be for a fixed period only; the reason for the payment, the value of the incentive or benefit, the expected duration, and the review date after which they may be withdrawn will be clearly set out at the start of the fixed period.

Recruitment and Retention Incentives continued

The exercise of this discretion will be reviewed annually as part of the annual review of this Pay Policy, in the light of updated information on any recruitment and retention difficulties for the school.

For leadership posts (i.e. Headteachers and Deputy and Assistant Headteachers) appointed to or reviewed on or after 1 September 2014, any recruitment and retention matters will be taken into account when setting the base pay for the post, and so separate allowances will not be payable. The only exception to this would be the reimbursement of reasonably incurred housing and relocation costs, which the Governing Body/Board may decide to pay, if appropriate. Any such reimbursement made to a Headteacher will not count towards the 25% limit on allowances as referred to on page 9, para. 12.

Any teachers in the leadership group, who were already in receipt of a recruitment/retention payment at 1 September 2014 which was determined in line with the arrangements in place prior to that date, will continue to receive such

payment, at its existing value, under those arrangements (as outlined in paragraph 2 of this section) until such time as their pay range is determined under the 2014 arrangements.

Temporary Arrangements

The Pay Committee will consider paying a teacher who is temporarily carrying out the full duties of an absent Headteacher, Deputy or Assistant Headteacher at an appropriate point within the Headteacher's or Deputy/Assistant Headteacher's individual pay ranges when the absence extends beyond four weeks. The temporary pay point will not necessarily be the same as the point on the leadership pay range of the substantive post holder but will not be less than the minimum point of the established individual pay range. The increase in salary will be back-dated from the first day of absence.

In the case of planned prolonged absence of more than four weeks, an acting pay point within the Headteacher or Deputy or Assistant Headteacher pay ranges will be established in advance and paid from the first day of absence.

When the temporary period of acting up comes to an end, the teacher concerned will return to the point on his/her substantive pay range which would have applied had he/she not taken up the temporary arrangement.

The Pay Committee will consider awarding an additional temporary TLR payment appropriate to the post, to a teacher who is temporarily carrying out the full duties of an absent teacher, when the absence extends beyond four weeks. Where the temporary arrangement is approved, the increased salary will be back-dated from the first day of absence.

Supply teachers engaged by the school will be paid at the rate determined by the statutory provisions for calculating short notice teachers' pay within the STPCD.

Safeguarding

In accordance with statutory provisions, all classroom teachers who will or may have their substantive salaries reduced as a result of internal reorganisation of the staffing structure, are subject to time-limited cash safeguarding for a maximum of three years.

Voluntary Continuing Professional Development Outside Directed Time

Consideration will be given to exercising this discretion in the case of training in respect of major national initiatives supported by external earmarked funding and where training cannot be undertaken on one of the specified teacher training days or in school session time because of difficulties with supply cover.

In these instances, classroom teachers will be paid a daily rate of $\frac{1}{194}$ th of their salary point on the teachers' main pay range to a maximum of point M6. Teachers on the Leadership and Leading Practitioner pay ranges will be paid as if at point M6 on the teachers' main pay range.

Initial Teacher Training (ITT) Activities

No specific additional payments will be made to individual teachers involved in school-based ITT activities (such as observing and giving feedback on classroom practice and acting as professional mentors).

However, teachers with significant involvement in ITT may receive pay recognition through TLR payments or their pay ranges on the leadership spine.

Out of School Learning Activities

If it is agreed that teachers are employed to undertake major out of school learning initiatives, teachers will be paid a daily rate of $\frac{1}{194}$ th of their salary point on the teachers' main pay scale to a maximum of point M6. Teachers on the Leadership or Leading Practitioner pay ranges will be paid as if at point M6 on the teachers' main pay range.

Principles

This policy will be applied in accordance with all relevant National and local conditions of service, details of which can be obtained from HR & OD Services.

The policy will also be applied in accordance with the School's equality and diversity statement and practice.

All non-teaching posts must be formally graded in accordance with the Council's Job Evaluation scheme. This will provide objective justification for job grades and at the same time minimise the risk of any equal pay liabilities for either the Council or Governing Body/Board.

(Note: role profiles within the Job Families Framework for support staff have been formally graded in accordance with the Job Evaluation scheme, and so any jobs matched to these profiles comply with this requirement.)

Undertaking Additional Duties, and Market Enhancement

Within the scope of this policy the governors recognise and approve the pay elements detailed in the following two sections below, which can be applied by the Headteacher on the advice of HR and OD Services. In exercising these discretions the Headteacher will consult with the HR Business Manager – Resources, Schools and Digital

Undertaking Additional Duties (acting up)

There are situations where individuals temporarily cover a more senior post. This may be partial or full cover of the more senior post, and is normally for a short period of time. Where an employee takes on the full duties of a higher graded post at the request of their manager it must be for a period of 28 days or more within a six month period. The employee will be paid the evaluated rate for the post, for the duration of the acting up period.

Where an employee takes on additional responsibilities at the request of their manager for a temporary period, the grade will be determined through the job evaluation scheme in an objective and consistent manner and comply with equal pay legislation. Where the Job Family Framework for school support staff has been adopted and implemented within the school, it may be possible to match the additional responsibilities to an appropriate role profile within the Framework, which has been formally evaluated for pay purposes. In respect of additional responsibilities which do not fit with the role profiles, and in schools where the framework has not been adopted, the responsibilities will be evaluated on an individual basis by HR and OD Services, in accordance with the Job Evaluation Maintenance Procedure. Further information can be obtained from the HR Business Manager - Resources, Schools, and Digital.

Market Enhancement Policy

There are occasions where the pay of a job determined by the grading process results in a salary range that fails to attract and retain suitably qualified and experienced staff, possibly because the pay rate is not in line with the “market rate” for the post. Under such circumstances the Headteacher in conjunction with the HR Business Manager – Resources, Schools and Digital will determine whether it is appropriate for a market enhancement to be applied.

Market enhancements are defined as a temporary addition to the pay of a role and are applicable to ‘all role holders in a post’ where market pressures would otherwise prevent the employer from being able to recruit and/or retain suitably qualified staff at the normal salary for the post.

The process of determining whether a market enhancement should be paid, the rate of any enhancement and the conditions for its payments will be determined through the Market Enhancement Policy. Market enhancements should be made clear at the time of appointment, or at such other time they are applied. Payments made under this policy are temporary and subject to review and may be removed.

Starting Salaries for New Appointments (permanent and temporary)

All new appointments will be paid at the minimum of the appropriate grade for the post. However, the Governing Body/Board and Headteacher, advised by the HR Business Manager – Resources, Schools and Digital, will have the discretion to agree a starting salary above the minimum if evidence can be provided that there is an objective justification based on skills and experience.

Where an existing employee is appointed to a new post on a higher grade which overlaps with their previous grade, they will be appointed on the next point above their previous substantive spinal column point.

All decisions relating to the commencing salary must comply with equal pay legislation and be made in an objective and consistent manner.

Incremental Progression

Progression through a grade is by annual increments, paid on 1st April of each year. To receive an incremental increase on 1 April, the employee must have been employed at the current spinal point for a period of six months prior to receiving the annual increment and must not be at the maximum for their band or on any pay protection arrangements. Employees commencing employment after 1st October of any year (up to 31st March) will be considered for an increment after 6 months continuous service.

- The contents of this document will be brought to the attention of existing and newly appointed staff on a regular basis
- The document will be available for reference purposes within the copy of Wigan LA’s ‘Employment Handbook for Schools’ retained within the school staff room and on the [Schools Portal](#).
- The application of the policy will be monitored by the Governing Body/Board.

L23	72496	L43 (A)	117197		
L24	74294	*L44	121326		

Points L18, L21, L24, L27, L31, L35, L39, L43 have two values, marked by the addition of 'A' and 'B' to each point, to indicate the lower and higher values respectively.

The values indicated by 'A' are the maximum salaries for each of the eight Headteacher Group ranges, which are determined by the **STPCD 2021**. (The table at Appendix 2 shows the Headteacher Group ranges).

The 'A' values apply to those Headteachers/Heads of School who are already on, or who are moving onto, the top point of their individual Salary Range (ISR) with effect from 1 September 2021, where this point coincides with the top of the Group range for their school.

The 'B' values apply to those on the Leadership Range who are remaining on or moving onto one of the relevant points (L18, L21, L24, L27, L31, L35, L39, L43) with effect from 1 September 2021, where the point concerned is within or at the top of their ISR, but **does not** coincide with the top of the Group range for their school.

The minimum values for the eight Headteacher Groups are determined by the STPCD 2021 and are therefore the minimum salaries applicable to Headteachers/Heads of School who are appointed to the bottom of the Group range for their school. It is worth noting that the minimum values for Groups 5, 6 and 7 are L18B, L21B and L24B respectively – see Group values above for details.

* Points 44– 52 are a locally agreed extension of the 2021 Leadership Group pay range and are included to accommodate the arrangements, effective from 1.9.14, which give discretion to Governors to set base pay for Headteachers beyond the top of their respective pay groups, if circumstances justify such payment. These additional nine points are based on 2.75% incremental steps, in line with the differentials between pay points on the rest of the Leadership pay range.

Examples to show how the Leadership Pay Range would apply

Retaining the Leadership Pay Range, and the 5 and 7 point ranges, fulfils the fundamental requirement to give sufficient room for progression for those in leadership posts. To also build in the required provision to pay up to 25% beyond the top of the Headteacher Groups, it is necessary to attach values to the additional payments which coincide with pay points on the range, so that there is clarity in terms of expected progression over time.

Whilst this means that exact % payments cannot necessarily be applied, it still gives considerable flexibility. The examples below show how the ranges would be set using the Leadership pay range.

Example 1.

The formula for allocating a school to a Headteacher Group results in the Headteacher being in Group 3.

Group 3 runs from £54,091 (L11) to £73,559 (L24A)

The range could be extended up to a maximum of £92,624 (L33), which is the closest point on the scale to the full 25% additional pay.

Due to the particular challenges of the post, the Governing Body/Board decides that it is appropriate for the pay range for the post to go beyond the top of the group, and decide that an additional 5% would be appropriate.

This would give a figure of £77,237 for the top of the individual range (£73,559 + 5%); the nearest pay point to this salary is £78,024 (L26).

A 7 point range would give an individual range for this post of £67,364 (L20) to £78,024 (L26).

Example 2.

A school is in Group 8 – £81,941 (L28) to £117,197 (L43A)

The Governing Body/Board consider that due to recent recruitment difficulties to the role, together with the particular complexity of the role, they wish to extend the range beyond the maximum point of the group; they consider that a range up to around £126,000 would be appropriate.

The nearest point on the pay spine to £126,000 is £127,469 (L46).

A 7 point range would give an individual range for this post of £107,238 (L39) to £121,032 (L45).

Example 3.

A Federation of two secondary schools is in Group 8 (combining the unit score of each of the schools to arrive at a total unit score)

Group 8 runs from £81,941 (L28) to £117,197 (L43A)

The Governing Body/Board considers that due to the accountability for two schools with a very large total number of pupils and the complexities of the schools, it is appropriate to extend the pay range beyond the top of Group 8; it decides that a minimum point of around £115,000 would be appropriate.

The nearest point on the pay spine to £115,000 is £115,482 (L42).

A 7 point range would give an individual range for this post of £115,482 (L42) to £133,920 (L48).

6. The appeal should be heard by the Appeals Committee of the Governing Body/Board in accordance with the appeals procedure outlined below.
7. A date for the hearing will be arranged as soon as possible, and all parties will normally be given at least ten school working days' notice of the hearing. Part-time employees will normally only be required to attend the hearing on one of their normal contractual days of work.
8. The decision of the Appeal Committee will be given in writing as soon as reasonably practicable, where the appeal is rejected, will include a note of the evidence considered and the reasons for the decision.

Teachers' Standards (England)

The Teachers' Standards (England) are presented in the STPCD 2021 as they underpin the appraisal process and the assessment process for accessing the upper pay range.

Teachers make the education of their pupils their first concern, and are accountable for achieving the highest possible standards in work and conduct. Teachers act with honesty and integrity; have strong subject knowledge, keep their knowledge and skills as teachers up-to-date and are self-critical; forge positive professional relationships; and work with parents in the best interests of their pupils.

Part One: Teaching

A teacher must:

1. Set high expectations which inspire, motivate and challenge pupils

- establish a safe and stimulating environment for pupils, rooted in mutual respect;
- set goals that stretch and challenge pupils of all backgrounds, abilities and dispositions;
- demonstrate consistently the positive attitudes, values and behaviour which are expected of pupils.

2. Promote good progress and outcomes by pupils

- be accountable for pupils' attainment, progress and outcomes;
- be aware of pupils' capabilities and their prior knowledge, and plan teaching to build on these;
- guide pupils to reflect on the progress they have made and their emerging needs;
- demonstrate knowledge and understanding of how pupils learn and how this impacts on teaching;
- encourage pupils to take a responsible and conscientious attitude to their own work and study.

3. Demonstrate good subject and curriculum knowledge

- have a secure knowledge of the relevant subject(s) and curriculum areas, foster and maintain pupils' interest in the subject, and address misunderstandings;
- demonstrate a critical understanding of developments in the subject and curriculum areas, and promote the value of scholarship;
- demonstrate an understanding of and take responsibility for promoting high standards of literacy, articulacy and the correct use of standard English, whatever the teacher's specialist subject;
- if teaching early reading, demonstrate a clear understanding of systematic synthetic phonics;
- if teaching early mathematics, demonstrate a clear understanding of appropriate teaching strategies.

4. Plan and teach well-structured lessons

- impart knowledge and develop understanding through effective use of lesson time;
- promote a love of learning and children's intellectual curiosity;
- set homework and plan other out-of-class activities to consolidate and extend the knowledge and understanding pupils have acquired;
- reflect systematically on the effectiveness of lessons and approaches to teaching;
- contribute to the design and provision of an engaging curriculum within the relevant subject area(s).

5. Adapt teaching to respond to the strengths and needs of all pupils

- know when and how to differentiate appropriately, using approaches which enable pupils to be taught effectively;
- have a secure understanding of how a range of factors can inhibit pupils' ability to learn, and how best to overcome these;

- demonstrate an awareness of the physical, social and intellectual development of children, and know how to adapt teaching to support pupils' education at different stages of development;
- have a clear understanding of the needs of all pupils, including those with special educational needs; those of high ability; those with English as an additional language; those with disabilities; and be able to use and evaluate distinctive teaching approaches to engage and support them.

6. Make accurate and productive use of assessment

- know and understand how to assess the relevant subject and curriculum areas, including statutory assessment requirements;
- make use of formative and summative assessment to secure pupils' progress;
- use relevant data to monitor progress, set targets, and plan subsequent lessons;
- give pupils regular feedback, both orally and through accurate marking, and encourage pupils to respond to the feedback.

- deploy support staff effectively;
- take responsibility for improving teaching through appropriate professional development, responding to advice and feedback from colleagues;
- communicate effectively with parents with regard to pupils' achievements and well-being.

Part Two: Personal and Professional Conduct

A teacher is expected to demonstrate consistently high standards of personal and professional conduct. The following statements define the behaviour and attitudes which set the required standard for conduct throughout a teacher's career.

- Teachers uphold public trust in the profession and maintain high standards of ethics and behaviour, within and outside school, by:
 - treating pupils with dignity, building relationships rooted in mutual respect, and at all times observing proper boundaries appropriate to a teacher's professional position;
 - having regard for the need to safeguard pupils' well-being, in accordance with statutory provisions;
 - showing tolerance of and respect for the rights of others;
 - not undermining fundamental British values, including democracy, the rule of law, individual liberty and mutual respect, and tolerance of those with different faiths and beliefs;
 - ensuring that personal beliefs are not expressed in ways which exploit pupils' vulnerability or might lead them to break the law.
- Teachers must have proper and professional regard for the ethos, policies and practices of the school in which they teach, and maintain high standards in their own attendance and punctuality.
