

Pupil Premium Strategy 2020-21

Believe and Achieve

"Behind every young child who believes in themselves is an adult who believed first."

At Hindley Junior and Infant school, we strive to create a safe, inclusive and inspiring environment which enables everyone to believe in themselves and achieve their aspirations.

We believe that our children need to possess key characteristics if they are to flourish in school and wider society. Opportunities to build upon, teach and celebrate these characteristics are interwoven into all aspects of school life. We endeavour for every child to be respectful, resilient, honest, determined, confident, cooperative and ambitious.

Barriers to attainment

Academic barriers

- a) Low baseline pupils on entry to Reception class
- b) Lack of school readiness: Lack of focus and poor language and communication skills
- c) Consistency of high quality teaching at all
- d) Lack of contextual understanding and knowledge of the world (cultural capital): impeding ability to
- e) contextualise learning

Non-academic barriers

- f) Potential low attendance and poor punctuality that impacts negatively on learning
- g) Vulnerable families with emotional and social needs resulting in children demonstrating challenging behaviours: children arriving at school not ready to learn.
- h) Vulnerable families lacking engagement with education
- i) Lack of aspirations and low levels of academic achievement

Strategy aims

1. To narrow the attainment gap in Reading, Writing and Maths in all year groups.
2. Progress in Reading: achieve at least national average progress scores in KS2 Reading.
3. Progress in Writing: vast majority of all children achieve national average progress scores in KS2 Writing.
4. Progress in Mathematics: Vast majority of children achieve at least average progress scores in KS2 Mathematics.
5. Phonics: The vast majority of children achieve national average expected standard in PSC
6. Attendance: attendance of PP children to be above national average, and not significantly different to Non-PP children

Pupil Premium Strategic Principles

Our building blocks for tackling educational disadvantage:

Whole-school ethos of attainment for all

- There is a culture of high expectations for all.
- There is a belief that all disadvantaged pupils are capable of overcoming their personal barriers to succeed.
- Disadvantaged pupils and their families are held in high regard
- Leaders, teachers and other adults understand their role within the school's strategy

Addressing behaviour and attendance

- A strong emphasis is placed on developing positive behaviours for learning.
- The school responds rapidly to ensure behaviour management strategies are effective for pupils that need support.
- Attendance is monitored. Strategies, where applicable, are implemented to improve absence or lateness to maximise opportunities for learning in school.
- Persistent absence is rigorously challenged.

High quality teaching for all

- The school places a strong emphasis on ensuring all disadvantaged pupils receive high quality teaching; responsive on- going

formative assessment is essential to ensure disadvantaged pupils make strong progress.

- Teachers are committed to successfully engage with the disadvantaged pupils who are less successful learners.
- Professional development is focused on securing strong subject knowledge, questioning, feedback, and self-regulation.
- Interventions are additional to the entitlement to high quality teaching; class teachers retain accountability for pupil achievement.

Meeting individual learning needs

- There is a strong understanding of the barriers to learning and how these barriers present in school.
- Personalised profiles are used to ensure barriers are overcome so that disadvantaged pupils can benefit from enrichment, emotional well-being support and interventions that enable them to succeed in their learning across a wide range of subjects.
- Learning gaps and misconceptions are identified and addressed so that pupils can secure learning domains that will enable them to catch up to meet age related expectations or increasingly work at greater depth.
- Transition processes for disadvantaged pupils are carefully planned and implemented

Data-driven

- The progress of disadvantaged pupils is discussed at all pupil progress meetings and at key assessment milestones. Actions are identified, implemented and regularly reviewed within each assessment phase.
- Accelerated progress must lead to higher attainment within an academic year and key stages.

Clear, responsive leadership

- Leaders and a governor, review the effectiveness of strategies based on internal analysis, research and best practice.
- Self-evaluation is rigorous and honest.
- Leaders apply robust quality assurance processes and clear success criteria.
- Deploying staff effectively
- Staff are deployed flexibly in response to the changing learning needs of disadvantaged pupils.
- Resources are targeted at pupils at risk of underachievement in terms of low and high attainment

Spending priorities

Category: Quality of teaching

Allocation:£45000

Aims	Actions	Indented outcomes/success criteria	Review
Maximise adult/pupil ratios.	<ul style="list-style-type: none"> • Employ extra teacher in Year 6 for every morning: allowing children to be streamed. 	<ul style="list-style-type: none"> • Children are streamed for Maths and English lessons every morning. 	

	<ul style="list-style-type: none"> • Maximise number of teaching assistants to support class teachers. • Extra teacher employed (spring – summer) to team teach in specific identified year groups to narrow attainment gaps. 	<ul style="list-style-type: none"> • Vast majority of children by the end of KS2 achieved their individual academic targets, and some will have surpassed. <p>Experienced teacher working in specific classrooms, with specific groups/individuals, alongside class teachers to narrow attainment gaps.</p>	
Staff training: utilise vast majority of staff meeting times for CPD sessions	<ul style="list-style-type: none"> • Vast majority of ‘staff meeting’ times are used as CPD to improve the standard of quality first teaching. • Personalised in-school coaching & mentoring programmes implemented. • Staff receiving external, personalised CPD. • Outward thinking: staff working with other good/outstanding schools to improve practice • Regular CPD for LSAs. 	<ul style="list-style-type: none"> • All teaching is at least good and some is outstanding. • Monitoring systems show improvements in the quality of teaching & learning, or high standards being maintained. • All staff will have attended several CPD sessions based on improving subject knowledge and/or pedagogy • Staff working with other good/outstanding practitioners from other settings. • LSA have up to date CPD (weekly CPD meeting and regular phonics training updates) that directly improved the quality of teaching and learning.
