Suggestion Box

We had 3 suggestions in the box this week.

- Can we have music playing at playtimes and dinner times?
- Can we have some swings on the playground?
- If children are good after English, can they have a treat? (Y3 child)

Last week of term

Mrs Speakman read out the fun Christmas activities we have planned for the last week of term. As a School Council we came up with a lot of these ideas so we can see how much of a positive impact we are having for all the children in school.

These include:

Christmas Bingo with Mr Wallace

Christmas Karaoke

Christmas Parties

Christmas film and Pyjama day

Christmas Movie Afternoon

The Christmas movie afternoon will be on Friday 18th December. We can wear our Pyjamas or other comfy clothes and bring in some sweets or popcorn.

Litter Picking Rota

Please remind your class when it is your litter picking day. Please only collect the litter in your class area and remember to wash your hands afterwards.

Thank you for helping to keep our school tidy.

Gardening Club

Please vote with your class as to what you would like to grow in your area? The list of seeds we have are below. Let Mrs Speakman know asap once you've decided.

The garden will hopefully be available to plant after the Christmas holidays.

In January we can grow: Tomatoes, Aubergines, celery, raddish, celeriac

In February we can grow: Cauliflower, carrots, little gem lettuce, onion, spring onion and chilli peppers.

Please choose one or two items from the list above.

Fun Friday Posters

We've got a few entries but it's not too late to take part in our Fun Friday poster competition. Linda would like a poster that advertises our Fun Friday meal options so please add these to your design.

Some of these include Burgers and Chips, Hot dogs, Chocolate Muffins, Chocolate Chip Cookies so it would be good if you could draw some of these on the poster. Make it as colourful as you can.

The closing date is Friday 27th November and don't forget to put your name and year group on the back of your poster.

Remember to remind your class about the suggestion box.
