No new suggestions in the box	Ask BTS about the worry room
	Ask Y4 Class Rota for new equipment

- Any other business:

Launch competition for reducing energy costs in school:- Mrs Speakman informed the meeting that energy costs were going up again for electricity and gas, so it will cost more money to heat and light our school as well as our own homes. Mrs Speakman asked whether we could have a colouring competition to make little signs to put on all the light switches in school and to remind our classes and staff members that we need to be conserving energy wherever possible.

Mr Wallace would like to set up an Eco Efficient Team from pupils who would be interested so we need to ask each class to put two pupils forward to be on the team.
