

Sports Premium Strategy 2023-24

(Updated November 2023)

Believe and Achieve

"Behind every young child who believes in themselves is an adult who believed first."

At Hindley Junior and Infant school, we strive to create a safe, inclusive and inspiring environment which enables everyone to believe in themselves and achieve their aspirations.

We believe that our children need to possess key characteristics if they are to flourish in school and wider society. Opportunities to build upon, teach and celebrate these characteristics are interwoven into all aspects of school life. We endeavour for every child to be respectful, resilient, honest, determined, confident, cooperative and ambitious

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year please report on their attainment on leaving Primary school.	
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming, but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	
<i>All children receive a letter/message when they are in reception encouraging their parents to arrange private swimming lessons as it's an important life skill. Any children who are not swimming at the expected standard at the end of Year 4 receiving a letter informing their parents that they are not swimming at the expected standard, and we strongly recommended that they pursue swimming lessons.</i>
