My eldest child already attends the school and will be heading in to year 2 in September. I think the school is absolutely amazing and I wouldn't of chosen anywhere else

I feel given the current situation (Covid-19) the communication between School and new parents of Children starting Reception has been brilliant. I feel really at ease regarding my sons transition in to school. I understand how difficult it is at the moment for all the staff and parents but I can't fault the School at all.
